SIRATA GUEYE

Financial Analyst — Corporate Finance & Credit Analysis

Lille, France | +33 6 02 47 07 65 | siratagueye@gmail.com | linkedin.com/in/sirata-gueye

PROFILE

Financial analyst at CGI Finance (Société Générale group), in the Credit Studies department, where I assess corporate financing applications in the automotive and marine sectors: credit analysis, rating recommendations and approvals within delegated decision limits. Trained through a Master's in Corporate Finance, Development & Treasury (Financing specialisation) at IAE Lille, with a background spanning West Africa and France, I am seeking a V.I.E. (French International Volunteer Program) assignment in financial analysis, credit or corporate finance.

PROFESSIONAL EXPERIENCE

Financial Analyst / Corporate Credit Analyst

CGI Finance (Société Générale subsidiary) — Credit Studies department, Lille — Since 09/2025 (work-study, until 06/2027)

- Drafting reasoned credit memos for presentation to the Risk Department
- Analysing financing applications in the automotive and marine sectors
- Approving files within defined delegated decision limits
- Recommending internal rating proposals for partners
- Ensuring compliance with internal procedures, brand agreements and regulatory requirements
- Communicating credit decisions to internal and external stakeholders
- Actively contributing to the department's process optimisation projects

Accounting Assistant

Experts Auditeurs Consultants (accounting firm), Toulouse — 09/2024 – 09/2025 (work-study)

- Bookkeeping, account matching and account justification
- Account review and bank reconciliations
- VAT returns and monitoring of tax obligations
- Contribution to the preparation of year-end accounts and financial statements

Tax and Public Finance Intern

Public Finance Centre of Balma (French tax administration), Toulouse — 04/2024 – 06/2024

- Review and processing of individual tax returns
- Use of the Adonis software to manage tax files
- Support for taxpayers with their procedures

Quality Audit Intern

LQT Consulting, Dakar (Senegal) — 06/2019

- Observation of internal processes and analysis of procedures
- Identification of improvement areas and contribution to audit reports
